"I am Love. I walk the path of love. I am Peace. I walk the path of peace. Every step that I take, is the path of my heart."

— inspired from the words of Peace Pilgrim

Grace Marie is an international teacher and facilitator of Dances of Universal Peace, Harmonic Temple Chant, voice, and movement meditation. These are interwoven in her experiential workshops "guiding the journey of the heart and soul". She is a certified Fitness Instructor and teaches Nia and Barre Fitness for the city of Fort Collins.

Grace began playing guitar Mass in the mid-1970's and has continued with sacred music of world traditions through her life. She is an initiator within the Sufi Ruhaniat International, and a Dances of Universal Peace Mentor. She has organized and co-facilitated Dance meetings, camps and leader trainings worldwide.

Working with many wisdom traditions worldwide, Grace has enriched the DUP repertoire, adapting traditional prayers into meaningful songs and accompanying them with original, insightful and inspiring dances.

Grace co-facilitates group Dance journeys and pilgrimages worldwide, blending the group within the culture, inspiring them and us. Grace's style is joyful, deep and ecstatic. Her three CD's: Kunda, One Love, and All My Relations, are listened to worldwide.

We are happy to announce Grace Marie from Colorado will lead our Sky Camp Dance Camp this year in Oregon. Sky Camp is 30 miles SE of Eugene with a dance floor overlooking Fall Creek Reservoir and brilliant sunsets through a south wall of glass windows.

Sky Camp begins Friday evening before dinner and ends with Sunday lunch. Cost: \$180/person including meals if postmarked by May 1st. Fill out the registration form and mail a deposit of at least \$90/person to:
