

THURSDAY MAY 16

GRACE MARIE PRESENTS THE WALKS OF MURSHID SAM

About the Walks:

The Walks of Murshid Samuel Lewis, the founder of the Dances of Universal Peace, express "states of being" found in archetypal symbols, of our Planetary Solar System and Earth based Elements. Murshid Sam's vision that he shared with Ruth St Dennis, started with teaching young people how to Walk. Practicing the Walks are a way of enriching our ability to express ourselves through deeper connection with the Solar System in which we live, and the Earth Elements from our home planet.
